

Aboriginal people denounce Northern Territory intervention

19 June 2008

Residents of Aboriginal townships speak to the *World Socialist Web Site* about the impact of the state intervention in the Northern Territory.

This video is part of an extensive series of articles, interviews and video clips. The reports were published in seven parts between June 21 and August 25. Click for parts one, two, three, four, five, six, and seven. Four videos were published. Click for videos one, two, three and four.
