

Mehring Books launches holiday sale

24 November 2014

Mehring Books is pleased to announce our 2014 holiday sale. Coinciding with the sale, we are featuring a new and redesigned Mehring Books web site, which will make browsing and ordering books and ebooks easier.

The holiday sale provides significant savings over our normal prices, with some titles marked down by 50 percent or more. You will find virtually everything in our stock has been reduced, including perennial favorites. This is an excellent opportunity for readers of the *World Socialist Web Site* to expand their Marxist library and to introduce friends and family to the ideas of socialism.

This year we are featuring two new sale bundles. The *Writings of David North bundle* includes his two most recent titles, *In Defense of Leon Trotsky* (2nd Edition) and *The Russian Revolution and the Unfinished Twentieth Century*.

The *Fight Against Imperialist War bundle* includes a selection of SEP pamphlets and the book *Desert Slaughter: the Imperialist War against Iraq*, a collection of articles on the first Gulf War.
